Meeting commenced at 7:10 pm

Attendees: Calvin Rodman, Larry Dwyer and Skip Newsome.

Reviewed minutes from 7/22/22 and minutes were approved.

Voted on the Special Town Meeting. Both articles 7 and 8 were approved unanimously.

Discussed whether the truck was needed. If we didn't approve the transfer, then that would be a way of voting not to purchase the truck.

Voted to approve the transfer from the search committee fund to the BOH. We have to pay for professional services now that Victor Hryckvich had passed away. The BOH approves septic tank approvals and inspections.

Discussed the school committee article 1. Skip and Larry weren't in favor of leaving the school district. Larry mentioned that the school options committee presentation is now on the website.

Larry spoke about the discussion he had with Joe Gelinas and Jon Sylbert over who has authority over the town budget. Originally the Finance Committee had responsibility for creating the budget, but when Joe Gelinas tried to exercise that authority, the Select Board passed a bylaw change giving the Select Board responsibility of the budget.
