Please note the Massachusetts Secretary of State deems all email created or received by an employee of a government unit is a public record.

The mileage upon purchase was 42513, and the truck was officially put in service at 42657. At the time of the accident there had been 1702 miles put on the vehicle since it was purchased, and 1550 miles put on the vehicle since it was put into service. State and Federal Inspection was conducted when the mileage on the Tanker was 43047. The mileage at the time of the MVA was 44215, meaning that only 1168 miles had been put on the truck since the state and federal inspection. All fire apparatus is looked over monthly by the fire department and any issues are taken care of immediately.

Important Information for Vehicle Owners

- Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and for the trailer, if any, and his/her license to operate, upon his/her person or in the vehicle, in some easily accessible place.
- By law, you must report any change of address to the RMV within 30 days in writing. Address changes can be made on the RMV website: www.mass.gov/rmv or by mail to: RMV, P.O. Box 55889, Boston, MA 02205-5889. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- Return the registration plates to the RMV immediately if:
 - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle. Keep a copy of the *Bill of Sale, Title*, and completed *Reassignment of Title* for your records to document the transfer.
 - You move to another state and you register the vehicle in that state.
 - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Transferring Your Plates: Massachusetts law (M.G.L. Chapter 90, Section 2) allows you to transfer **valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer** while you obtain insurance and a new registration. **All** of the following must be met: 1. You are at least 18 years of age and you own the motor vehicle or trailer identified on this *Registration Certificate*; 2. You transfer ownership of this vehicle to another person or permanently lose possession of it (such as through repossession, etc.); 3. The newly acquired vehicle is of the **same vehicle type** (passenger vehicle to passenger vehicle, trailer to trailer, etc.); the **same registration type** (passenger to passenger, commercial to commercial); and has the **same number of wheels**; and, 4. The **seller and buyer** properly complete the Assignment of the Certificate of Title (for the newly acquired "used" vehicle) or Certificate of Origin (if a "new" vehicle). If **all** of the above are met, you may operate the newly acquired vehicle with the transferred plates **up to 5:00 pm of the 7th calendar day** following the date of transfer (or loss of possession). The day of transfer or loss is day #1. During those 7 days, you **must** carry the *Bill of Sale* (or the dealer's *Purchase Contract*) for the newly acquired vehicle **and** this *Registration Certificate* when operating the vehicle. See *FAQs About the Seven-Day Registration Transfer Law* on the RMV's website at www.mass.gov/rmv.

No Insurance Card Required: Massachusetts's law does **not** require an insurance card. The law, M.G.L. Chapter 90, Section 34A and Chapter 175, Section 113A requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. If an insurer is identified on the face of this *Registration Certificate*, it is required by law to electronically notify the RMV (Registry of Motor Vehicles) if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's office.
