Topics not reasonably anticipated by the Chair:

Joanne presented a letter of support for the Greenagers' application for a MA DCR RecTrails grant on behalf of the Town for Yanner Park. The Greenagers' youth crew will build a trail through Yanner Park which will connect Town Hill and Hammertown Roads. This connection will enable visitors to hike from the Town Hall Annex to Town Hill Road via BNRC's Clam River property and Yanner Park, with the option to detour over to the State's Clam River Dam property.

The board unanimously supports this project and looks forward to seeing Yanner Park flourish as a recreational resource for the town. Letter signed by all.

Joanne reminded the Selectmen that at this time there is also a School Committee meeting being held discussing the school's FY2021 budget. She and Roger Brown are participating remotely.

Meeting adjourned at 7:11 p.m.
