We re bid the snow plow bids since the previous bid results were the same amount. All the bids received were by previous contractors and all have done a very good job for the town. The Selectmen decided to re bid it for a three year contract.

Jeff opened and read the bids. Bids received as follows;

A & M Auto at \$ 44.95 per hour

C. W. Nelson at \$ 44.95 per hour

P & R Construction at \$ 44.00 per hour

Steve will review the bids.

Winter road sand bids opened and read aloud by Jeff. Bids received as follows;

Donovan \$ 13.45 delivered

O'Conner \$ 13.25 picked up, \$ 19.90 delivered

Steve will review the bids.

Patrick commended the work the highway dept, David McCuin has been doing with the grader.

Steve was able to obtain millings from the town of Tolland at no cost. He will use them on trouble spots on dirt roads and probably at the cemetery.

Patrick asked what would be the next dirt roads worked on. They have done such a great job on North and South Beech Plain Rd. Steve responded Cronk, Viets and the upper West St.

On behalf of the Selectboard Patrick accepted the letter of resignation from Jeff Gray from the Strategic Planning Committee. Jeff is unable to attend their meetings.

Lisa reviewed the iCORI policy. We will address this at the next Selectmen's meeting.

Final interviews performed for the truck driver position for the highway department.

Finalist are Jordan Arnold and John Derryberry.

Motion by Patrick, second by Jeff to hire Jordan Arnold. It was a difficult decision as both are very good, qualified candidates.

Bogart Muller would like to be appointed to the Cemetery Committee.
