Members present: Jeffrey Gray, Patrick Barrett, Rosario Messina, Lisa Blackmer,
Dolores Harasyko

Called to order at 7:45 p.m.

Discussed the FY2015 budget. Discussed the article proposed by the Finance comm. to Move money from free cash to stabilization to pay off items that we no longer own. Jeff would like to forgive the payments. We will seek a ruling from the DOR regarding the stabilization account. There is some confusion as to whether we are obligated to repay all items if they have not been specified to do so when the articles were written.

Kathy Jacobs thanked Steve and the highway department for taking care of Hammertown Road this past Friday. The weather was especially hazardous and she was able to make it home. Patrick reiterated that we have a very loyal and dedicated crew. Ron Pachulski agreed with this and thanked the crew also.

The Paspuletti's also thanked the highway dept. for their excellent work this winter.
