Minutes as per Agenda:

- 1- Meeting opened at 9am-at Roberts Rd Cem.-It was sunny but cold -28* and windy.
We discussed what needs to be done and in what priority-tree pruning and head stone straightening up, & cleaning, also mapping would be good.
- 2- We moved on to So. Sandisfield Cemetery at 10AM (rte183). Since there are no stone wall boundaries here as there are at Roberts Rd, we decided to get the property record cards for each cem. for next meeting. We discussed that here also needs pruning and head stones up righted and cleaned.
- 3- We moved on to Center Cem at 10:30am. As we entered we saw that the pipes are still there and dead ahead are several very large very ugly piles of dirt. These are most likely left by the highway dept. We feel we need to address all of this by letter to the select Bd. We also discussed standing up 6 or 8 head stone and pruning in the old section here too.
- 4- We will give Ben a work list as soon as possible.
- 5- Our next meeting is scheduled for 23 April at 7pm at the Library.
- 6- We adjourned at 11:30am
