

Sandisfield Green Committee Minutes March 16, 2020

In Attendance: George Riley, Anina Carr, Larry Dwyer

Location: Town Hall Annex, 12:00 PM

1. Review of minutes was tabled.

2. The contract for the META 7 Grant Solar Array and Geothermal Heat Pump RFP was signed after review, Review as follows:

- a. Tour of building with Mr. Robert Dawson so he can devise a plan for the solar array that will be needed, and also the heat pump system.
- b. Mr. Dawson requested copies of last 2 years of energy use for Annex building. We will ask Dolores (selectmen's Secretary) to provide that information.
- c. Tour of building included windows, furnace, electrical panels, and crawlspace under building.
- d. Previous insulation work was discussed as well as pros and cons of replacing windows.
- e. Told Mr. Dawson that we would like to use our current state grant to purchase the solar panels.
- f. Mr. Dawson will send us the completed plan when he has all the information.

3. Plan was sent on May 13 2020.

4. Meeting adjourned 1:30 PM.
