

Sandisfield Green Committee Minutes June 11, 2019

In Attendance: George Riley, Anina Carr, Larry Dwyer

Location: Town Hall Annex, 1:00 PM

The meeting began at 1:00 PM with a discussion of the selection Green Community projects for 2019.

The following projects were reviewed:

- Attic insulation for Town Annex weatherization.
- Pipe heating insulation in the basement of the Town Annex weatherization.
- LED upgrade for the Town Annex.
- Solar panel and heat pump installation in the Town Annex.
- Windows

Contractor "Double R" completed a site visit at the town hall annex for insulation for the attic and crawl space. Double R would also give a quote for the piping insulation.

De Wilber and Kimberly were called to submit a quote for LED lighting for the town hall annex and library. The fluorescent lights will use retrofit kits. Nina will call Jay Reynolds to submit a lighting quote.

A new application was submitted for the META 7 grant for an engineering design for the town hall annex solar system array and heat pump installation. George was contacted by B2Q Associated who will send a quote for the engineering audit and design.

Nina will call Independent Plumbing for an evaluation of the boiler concerning air quality issues.

The window in the boiler room needs to be replaced. Window contractors will be called to submit quotes for new windows for the town hall annex and library.

Meeting adjourned 2:54 PM.
