

Sandisfield Library Minutes

Date: January 13, 2021

Place: Sandisfield Library, following social distancing and masks requirements

Time: 12:30

Present: Clare English, Terry Spohnholz, Sadie O'Rourke, Kathie Burrows, and Mary Turek

Budget: Clare has been in contact with Roger Brown for the budget. Roger recommended taking six months and multiplying that by two. Clare explained why that is not possible. The library does not spend the same amount in six months. The purchases are dependent on what is available. She also explained how grants work. We need to spend a certain amount to qualify for 100% of the grant.

We need to bring everyone to the minimum wage.

The library also has not been cleaned since summer. The toilet is still not fixed.

The total budget is \$19647.16 breaking down to \$1900 grant money, \$17747.16 town amount.

Clare made a motion to accept the budget, Mary made a 2nd, all were in favor.

Adjourned at 3 pm.

Respectfully submitted,

Mary L Turek
