Mary Turek made a motion to accept the minutes as presented. Seconded by Clare English. It carried unanimously. A discussion was had regarding the hiring of Robert Sampson as library aide. He is a very enthusiastic young man and presented himself well. Mary Turek made a motion to hire him at the minimum wage rate to cover when Terry is on vacation /cannot cover. Kathie will also be available.

Terry will look into an arts and crafts program for the fall. See attached librarian's report. We have not received an end of the year report for FY22. Terry will check into this with the accountant.

Robert spoke on some ideas he would like to help with. It was appreciated and the trustees will vote on this as they come up. He offered to power wash the playground equipment and make some improvements. The playground comes under the jurisdiction of the selectman and they must approve. Trustees have no jurisdiction.
