TIME: 12:30 PM  
PLACE: LIBRARY

Present: Mary Turek, Kathie Burrows, Clare English, and Terry Spohnholz

Clare made a motion to accept the previous minutes as presented. Kathie seconded the motion and it passed. Terry gave a concise report of all that had happened in the last month and what was planned for the future.

Building maintenance was discussed. Mary will speak to the selectmen regarding limbs hanging over route 57 and the driveway. We will need to find a sub for Terry so she can have time off. Clare will contact Elaine O'Brien to see if she is still interested and Kathie said she can cover Saturdays.

The meeting adjourned at 1:20 PM.

Respectfully,

Clare English  
Kathy Burrows
