Re: Special Permit: 38 West Street, Submitted by Leslie Harrison

Dear Honorable Selectboard Members,

The Sandisfield Board of Health reviewed the Special Permit submitted for 38 West Street, Sandisfield at their October meeting. As the BOH Agent, I have already witnessed percolation tests on this property have no concerns for siting a compliant septic nor well on this property. Thus, the Board of Health voted on 10/18/203 to give feedback that they do not have health-related concerns for this proposal and recommend approval of this special permit with the condition that they apply for and receive the proper permits for site work done on this property, when appropriate.

Signed,

Jayne Smith, RS
