

Dear Sandisfield Household:

Transfer Station stickers for Calendar Year 2022, from 1/1/2022 through 12/31/2022 are due for renewal. The fee is \$75.00. This fee has only increased by \$10 over 2021, and this increase will be used to partially cover the additional cost of a year-round bulky waste receptacle at the Transfer Station.

If you WILL NOT be using the Transfer Station, your household MUST LET US KNOW HOW YOU WILL BE DISPOSING OF YOUR TRASH. You must check the box below and return the slip via mail. You may also email your explanation to the Sandisfield Board of Selectmen at jbeardsley@sandisfieldma.gov. List your name, address, and the reason you will not be using the Transfer station.

If you WILL BE using the Transfer Station,

- Please complete and detach the form below along with a check payable to the "Town of Sandisfield" and mail to Town of Sandisfield, P.O. Box 163, Sandisfield, MA 01255
- If you would like to purchase your sticker in person, please come to the Town Hall office Monday, Tuesday or Thursday, from 10 AM to 2 PM.
- If purchasing by mail please enclose a self-addressed stamped return envelope.

The rules for issuing transfer station stickers are as follows: NO EXCEPTIONS.

- Each household **MUST** purchase a sticker if you will be using the Transfer Station.
- A second sticker **MAY NOT** be used for a separate household.
- If you rent an apartment within your home, this is a **SEPARATE** household and both you and your tenant must have a sticker.
- If you own more than one home, each home must have a sticker of its own.
- Stickers must be affixed to your vehicle in the driver's side rear window.
- Businesses are prohibited from using the Transfer Station. The Transfer Station is for household trash **ONLY**.
- At any time, the person issuing stickers may ask for a photo identification or proof of residency.
- If you do not provide a valid license plate number, you will **NOT** receive a sticker.

As of January 1, 2022, any vehicle NOT displaying the **RED** sticker **WILL** be denied access to the Transfer Station. License plate numbers are mandatory. **If you do not include the license plate number, you will NOT receive a sticker.** Please understand fraudulent use of the transfer station causes increased cost of waste management for the Town. Our goal is to keep cost down while maintaining proper disposal of trash. Thank you for you in advance for your cooperation.

All Sandisfield residents wishing to use the Sandisfield Transfer Station must have their permit properly displayed on the rear passenger side window of their car. These permits may be obtained from the Town Hall. Those who wish to hire a private hauler are still required to recycle and pay the specified fee. Please be aware that if these rules are not followed, the entire batch of recyclables could be rejected and returned. The expense of additional hauling and disposal will be coupled with the loss of recycling income for the Town. Separate recycling containers are available for paper and electronics. ALL ELECTRONICS ARE TO BE SEPARATED FROM TRASH AND PLACED IN A SPECIAL RECEPTACLE PROVIDED. Solid waste is deposited in the trash compactor. To recycle electronics year-round, you must purchase a coupon online, or from the Administrative Assistant, and take it to the Transfer Station.
