Re: Data Verification Program & Building Permit Visits

In compliance with Massachusetts Department of Revenue Guidelines, the Board of Assessors in Sandisfield is continuing its Data Verification Program. The purpose of the program is to collect accurate, complete and current information relative to property attributes.

Starting May 17th Mayflower Valuation LTD has been in town conducting mandated cyclical/ data verification work as well as Building Permit visits.

The Mayflower staff and their vehicle information is as follows:

Lisa Quakenbush – 2017 white Cadillac ext5 -Mass plate 193TJ6

Drew Pehoviak – 2013 blue Nissan frontier- Mass plate 9CGK20

Karl Pighetti – 2005 silver Lexus es330 – Mass plate 558WX2

If you have any questions, please contact the Board of assessors at 258-4711 X6 between 9am and 2pm Monday and Wednesday.

We would like as many interior visits as possible to bring our data base current.

We appreciate your cooperation with this effort.

Sincerely,

The Board of Assessors
