FY 2025 Interim Assessing Services Support

1-17-2023

Assessing Services Quote/Contract

Mayflower Valuation, Ltd. is pleased to offer the following Quotation/Contract for the schedule of services detailed below:

Phase 1- Cyclical Inspections:

At the direction of the Principal Assessor provide cyclical Inspections of specific properties as identified by client; work shall commence on or about 2-1-24. The number of inspections is estimated to be 10% of Real Property Parcels / DOR Guidelines.

Inspections shall be conducted by trained professional staff following the DOR COVID protocols established in 2021 (no interior inspections unless absolutely necessary / no appointments required / masks, vaccination and social distancing guidelines will be adhered to). These inspections will be conducted as outlined below:

- I. Each property will be visited, and presence announced to owners, if owners are home, they will be questioned on interior (upgrades, basements, # baths, etc.)
- II. All Mayflower employees will be neatly dressed, and have picture ID's displayed, our vehicles will have Assessor Department identification as well.
- III. Premises and shall be laser measured
- IV. Yard items will be reviewed and measured
- V. Physical conditions, grades and changes will be noted on Property Record Card (PRC)
- VI. Changes shall be neatly recorded on PRC, including updated sketch on PRC as required
- VII. Property will be digitally photographed, and emailed to assessor
- VIII. Completed cards will be turned over to Assessor on a weekly basis
- IX. Field Work and data collection will be overseen by Mayflower Sr. level personnel
- X. This work does not include data entry, this can be contracted for if needed
- XI.

Note: we use the most experienced, well trained, and professional data collectors in the industry, we typically average 20-30 cards per day depending on weather, location and condition of raw data.

The Assessors department will provide the hard copies of the PRC's for the properties it wants inspected to Mayflower; and send a form letter to each property owner informing them that cyclical inspections will be performed at their location, as required by the DOR, following the established Covid guidelines summarized above. Mayflower can provide a draft of this letter format as requested.

Assessing Services Quote/Contract

Phase 2 – Building Permit Inspections:

At the direction of the Principal Assessor provide Building Permit Inspections of specific properties for permits issued in Calendar Year 2023 as identified by Assessor; work shall commence on or about January 2024.

Inspections shall be conducted by trained professional staff following the DOR COVID protocols established in 2021 (no interior inspections unless absolutely necessary / no appointments required / masks, vaccination and social distancing guidelines will be adhered to). These inspections will be conducted as outlined below:

- I. Each property will be visited, and presence announced to owners, if owners are home, they will be questioned on interior renovations. Pictures may be submitted by homeowner- (upgrades, basements, # baths, etc.)
- II. All Mayflower employees will be neatly dressed, and have picture ID's displayed, our vehicles will have Assessor Department identification as well.
- III. Improvements shall be laser measured if required.
- IV. New Yard items will be reviewed and measured
- V. Physical conditions, grades and changes will be noted on Property Record Card (PRC)
- VI. Changes shall be neatly recorded on PRC, including updated sketch on PRC as required
- VII. Property will be digitally photographed, and emailed to assessor if necessary
- VIII. Completed cards will be turned over to Assessor on a weekly basis
- IX. Field Work and data collection will be overseen by Mayflower Sr. level personnel
- X. This work does not include data entry, this can be contracted for if needed.

The Assessors department will provide the hard copies of the PRC's for the building permits it wants inspected to Mayflower; and send a form letter to each property owner informing them that permit inspections will be performed at their location, as required by the DOR, following the established Covid guidelines summarized above. Mayflower can provide a draft of this letter format as requested.

Phase 3- Interim Adjustment:

At the direction of the Principal Assessor, commencing on or about 3-1-2024, provide Fiscal Year 2025 Interim Valuation Adjustment services as detailed below:

- I. Review the preliminary LA3
- II. Verify and adjust NAL Codes per DOR standards
- III. Analyze and review sales information for previous two calendar years.
- IV. Verify non-arm's length coding.

Assessing Services Quote/Contract

- V. Implement new land valuations and adjust all cost schedules as indicated by analyses in order to produce new valuations meeting the Commissioner of the Department of Revenue's statistical requirements for Certification of Values
 - VI. Uploading of the LA3, LA13, and LA15 into Gateway
 - VII. The above *does not* include completion of the New Growth Template.
-
-

Phase 4 - Personal Property:

- I. Review and enter Form of List, and inspect new personal property business accounts and do cyclical inspections for Personal Property.
 - II. The Town shall be responsible for mailing of Form of Lists, and shall have all returned copies available for our use
-

Phase 5 – Misc. Services :

- I. Provide assistance with FY 2025 abatements as requested.
-

Phase 6 – Class 504 Appraisal:

- I. Provide appraisal of (1) Personal Property class 504 account (s). Following DOR 50/50 guidelines and utilizing the Handy Whitman Index of Values.
 - II. Town shall provide Mayflower all required detailed FOL's and Utilities Detailed list of Assets, CWIP, ad New Growth.
-

Phased Cost Breakdown:

FY 2025 Phase 1- Phase 5- The cost will be \$ 10,050.00

FY 2025 Phase 6- The cost will be \$ 2,000.00
