TOWN of SANDISFIELD, MA. 01255  
 Submitted by Alarms of Berkshire County  
 MA LIC# 1489-C NY LIC# 12000164861 CT LIC#181726

Alarms of Berkshire County will install 4 new IP dome cameras and a new NVR located in the IT closet, at the Sandisfield Town Hall. We will also be installing a new doorbell system. The cameras, recorder and doorbell can be viewed and operated through a computer – on or off site. For example, the Police Department could have off hours viewing. The installation will consist of rewiring cameras, installing new cameras, moving recorder into the IT closet, and installing new doorbell system.

The current monitors for viewing will no longer work, however you will have the ability to use the computers on site to open camera view(s) and to answer the doorbell. You may also add a second monitor to a computer to keep live views active at all times.

Alarms of Berkshire County will install 5 new IP dome cameras, an intercom/doorbell, and a new NVR at the Old Town Hall-Police Department location. The cameras, recorder and doorbell can be viewed and operated through a computer – on or off site. We will also install a new Fire/Security System. We will connect to the old fire devices and install 2 keypads, 3 door contacts, and 3 motion detectors. The security system will have the ability to arm/disarm each area individually. ABC will also add card access to 2 doors – 1 in the Police Department and 1 in the Old Town Hall.

Alarms of Berkshire County will install 4 new IP dome cameras, an intercom/doorbell and a new NVR at the Library. The cameras, recorder and doorbell can be viewed and operated through a computer – on or off site. We will also install a new Fire/Security System. We will connect to the old fire devices and install 1 keypad, 2 door contacts, and 2 motion detectors. ABC will also add card access to the front door.

Alarms of Berkshire County will add card access to 1 door at the DPW building.

Sandisfield Town Hall - Total parts and labor: \$18,975.00 + tax and any permit fees

Old Town Hall-Police Department Total parts and labor: \$34,730.00 + tax and any permit fees/Monitoring will increase \$21/month

Library - Total parts and labor: \$28,175.00 + tax and any permit fees/Monitoring will increase \$18/month

DPW - Total parts and labor: \$3,910.00 + tax and any permit fees/Monitoring will increase \$18/month

Total Cost for Upgrades: \$85,790.00 + tax and any permit fees/Monitoring will increase \$57/month
