P O BOX 45
SANDISFIELD, MA 01255

Town of Sandisfield
Board of Selectmen
Sandisfield, MA. 01255

Dear Selectboard Members,

I am submitting P O # 1378 a new Polaris Model 450 ATV with accessories for your approval.

This is to replace a 26-year-old ATV that is no longer reliable to use as a for off road emergencies such as,

Searches, rescues, fires or any other emergency that may arise.

This is the only town owned ATV. Because of its unreliability we presently use ATV's such as this that are owned by firemen or private citizens in town.

This ATV is used several times per year in our Town, and goes mutual aid to other Towns, and is used by Fire, Police and Emergency Management. It will be stored inside at one of the firehouses.

The funding for this is in this present years Emergency Management Budget.

Thank you for your support.

Michael Morrison

Emergency Management Director
