

# **YANNER PARK COMMITTEE**

**Town of Sandisfield**

**Minutes of Meeting of September 24, 2020**

**Via telephone conference**

Motion to open meeting at 7:02 Adam, second Jessica

Attendees: Jessica, Paul, Adam, Sue, Emily and Kathy

Approval of minutes of August 13 meeting. Motion: Adam, Second: Jessica. Unanimous.

Someone spinning circles in vehicles in driveway at park. Adam talked to Mike Morrison about it and he will keep an eye on it.

Jeff Martin is the DCR forester overseeing forestry at Clam Dam. The skid road that connects from dam to Yanner Park has a possibility to connect the two areas. He has money to put toward smoothing out this area. Perhaps trail from dam to Spectacle Pond would complete trail to go around lake.

Picnic Table/Eagle Scout project. Town is now using the tables we purchased for the park at town hall. Town purchased tables to replace those and they are stored in the town garage. Eagle Scouts may be able to do this project of concrete work to keep tables secure. Adam looked at project with a young man but has not heard back from him about this. We will be looking into the purchase of concrete and forms for table.

Motion to purchase materials (concrete and forms) to secure and install tables. Motion by Susan, second by Emily - Unanimous.

Pillar at front entrance was broken and logger will pay for replacement or repair. Sam Mercier talked to Adam and proposed we use two large granite stones set vertically. Cost is approximately \$500 each, with Sam willing to donate his labor to the town. Log buyer will pay for half of cost. Adam to talk to Sam and work to match the other side. Adam will also get an estimate from him to replace the existing pillars as is.

Discussion on debris left from cabin demolition. Perhaps rent a dumpster and/or bury debris.

Tree removal by the parking area is complete and job is well done. Approximately half of the field behind the sign was mowed by the town over the summer. The future goal is to have it mowed once or twice per year, not weekly.

7:45pm - Motion to adjourn: Paul, second: Jessica - Unanimous.

Minutes approved unanimously on 12/3/20: Adam, Sue, Emily, Kathy
